

Ingredients for the Miraculous

We are built for miracles and the miraculous!

We are designed to receive all and everything that God has provided for us.

He designed IT to be given to us. And, He designed US to receive it from HIM!

It was designed to be given, and received from God to us.

It was designed to be given and we were designed to receive it (John 1:11-17, Matt. 10:8).

We have ears to hear (it). Understanding

We have eyes to see (it). Revelation

We have Hands to hold (it)-faith

We have a heart to have (it). Belief

So, if I have ears to hear,

hands to hold,

a heart to have

then there must be a harvest to be had. I expect it!
